Copy of letter No. 32-K, dated 3-5-1951 from the District Superintendent of Police, Belgaum,to the Superintending Engineer,K.I.C.,Dharwar, regarding Armed Police Guard at Kankanwadi ... Reduction in the strength of..

"Reference your letter No.G-109 dated 30th April 1951, on the above subject.

No armed party to guard treasure of less than one Head Constable and 3 Constables can be provided. One Head Constable and 3 Constables constitute the minimum armed strength allowed for such purposes. Only 2 armed men cannot be provided. If you think you need only two men then only 2 Unarmed men could be given. An armed party to guard treasure cannot be 2 armed Policemen since a considerable responsibility rests on them for the up-keep of the arms and ammunition which would be in their charge. In the circumstances, I would request you to reconsider the position and forward your proposals to this office, early. Either two Unarmed men or 1 and 3 armed men can be provided."
